

A photograph of a woman in a red dress standing in front of a multi-story building in Beirut. The building has many balconies and windows, and the scene is captured in a cinematic, slightly blurred style. The woman is wearing a vibrant red dress with a ruffled neckline. The background shows the building's facade with various balconies and windows, some of which have plants or laundry hanging from them. The overall atmosphere is one of a candid, street-style moment.

Own the streets

A wander through Beirut, captured the old-fashioned way – on film
